Defendant City of Oakland, acting by and through Senior Deputy City Attorney Rocio V. Fierro, filed its October 30, 2006 letter regarding the City's compliance status with the Court's October 11, 2006 Order Re: Internal Personnel Assessment System (PAS). In that letter the City set forth the reasons that necessitated an extension of the Court's November 13, 2006 deadline for completing the iPAS Operations Guide and Users Guide to December 30, 2006. The City further

explained that the subject document should only be called the iPAS Operations Guide and it will be the iPAS Operations Guide that will be completed on or before December 30, 2006. For the reasons set forth in Ms. Fierro's letter the iPAS Users Guide will be developed by the City's Information Technology Department at such future time as all beta testing has been completed on the new iPAS system and that system is determined to be functional. The City will continue to keep the Court, plaintiffs' counsel and the IMT informed of developments on the iPAS system, the iPAS Operations Guide and the iPAS Users Guide.

Respectfully submitted:
